*on*

# National Education Policy 2020

$24^{th}$-$25^{th}$ **February 2021**

*organised by*

## Engineering College, Ajmer

*under*

TEQIP-3
Technical Education Quality Improvement Programme

## Technical Education Quality Improvement Program-III

*at*

Engineering College, Ajmer 305025

## About National Education Policy 2020

National Education Policy 2020 envisions an India-centric education system that provides high-quality education to all, thereby transforming India sustainable into an equitable and vibrant knowledge society in the world. Education Policy lays particular emphasis on the development of the creative potential of each individual. It is based on the principle that education must develop not only cognitive capacities-both the foundational capacities of literacy and numeracy and higher-order cognitive capacities, such as critical thinking and problem solving but also social, ethical, and emotional capacities and dispositions.

The new education policy must provide to all students, irrespective of their place of residence, a quality education system, with particular focus on historically marginalized, disadvantaged, and underrepresented groups.

## Objective of Webinar

The objective of the webinar is to create awareness amongst faculty members, students, officials, and other stake holders in the higher education system to discuss the highlights and implications of NEP 2020. This webinar underscores the comprehension of the transformational changes in higher education, particularly the technical education as recommended by National Education Policy that enable India as a global knowledge super power.

## Resource Persons

Dr N. C. Shivaprakash
Chairman, BoG, Engineering College Society, Ajmer & Professor, Indian Institute of Science Bangalore.

Dr. Sandeep Sancheti
Renowned Academician and Administrator in Technical Education.

## Who can Apply

Regular faculty-members from various UGC/AICTE approved colleges/institutions, NPIU faculty members, engineering undergraduate/postgraduate students from AICTE approved engineering institutions and working professionals from the industries are eligible to attend the programme.

## Fee

There is no registration fee for the Webinar.

## How to attend

Participant may attend the Webinar through Google meet link `https://qrgo.page.link/ZPdV6`.

## Schedule

| | |
|---|---|
| Dr. Sandeep Sancheti | Feb, 24, 2021 at 11:00 AM |
| Dr. N C Shivaprakash | Feb, 25, 2021 at 2:00 PM |
